

VALENCIA AND HOKADA CLASSICAL GUITARS

Valencia

3106E

Valencia guitars have laminated natural pine fronts with traditional fan strutting and laminated backs and sides, finished in brown lacquer.

3106 Full size guitar, with cutaway

3106E Full size guitar with cutaway and Belcat electrics

The HOKADA Duo

'The Hokada Duo'

These guitars have solid spruce fronts in natural finish with bound edge, and brown lacquered maple backs and sides.

They are made in Europe using good quality tonewoods and are traditionally fan strutted. The sound is far superior to many instruments available at higher prices and they are specified by many teachers.

3165 Hokada full size guitar; nut width 51mm, overall length 977mm, string speaking length 647mm

3166 Hokada three quarter size guitar; nut width 47mm, overall length 915mm, string speaking length 611mm
