

GUITAR STRINGS FROM SAVAREZ

The famous **Savarez** strings from France have been known and respected by guitarists since the 1920's. Throughout this time, the Savarez company has been at the forefront of string technology while at the same time retaining the traditional quality and knowledge that have made the strings so successful.

The traditional Savarez strings: White, Red and Yellow Label are listed below. All bass strings are silver plated copper wound.

M0570CS SET, Cristal Soloiste, with Soloiste basses
M0570CH SET, Cristal Soloiste with polished silver bass strings for extra clarity

Alliance Strings

Alliance Strings from Savarez are the result of extensive research and development into the needs of today's guitarists. The treble strings are made from a unique material called **KF**, a carbon based nylon monofilament which gives an immediate bright and clear response which it maintains throughout the life of the string.
