

HARPS, AUTOHARPS, DULCIMERS AND BALALAIKAS

Folk Harp

- 2218** Folk harp, 22 nylon strings
Hardwood construction, laminated pine
soundboard. Supplied with padded cover

Autoharp

- 2213** Made in Korea. 15 bars, black lacquered
finish. 32 strings

Appalachian Dulcimer

- 2139** Pine faced front with decorative sound
holes, mahogany faced back and sides.
Mahogany neck with individual
machine heads. Double melody and
two single course strings. There are
many alternative tunings; we suggest
(1st) DD-G-D (3rd)
N.B. Treble (1st) is towards player

Balalaikas

- 2158** Prima balalaika, made in Romania,
pine front, brown finish maple
back, three double courses, tuned in
unison
Tuning (1st) E-E-A (3rd)
Overall length - 680mm
Speaking length - 440mm
- 2158A** As above, but with three single
strings

Tuning: (E)1st is the same as (E)1st
on a guitar
