

'Ozark' Mandolins

- 2253** Ozark arch top mandolin, polished sunburst finish with f-holes. Dark finish bound back and sides, adjustable rosewood bridge
- 2255** Ozark 'F' model mandolin, solid pine arched top with maple back and sides. Sunburst finish. Adjustable rosewood bridge
- 2255N** As above, with natural finish flamed maple back and sides (not illustrated)
- 2255S** Ozark 'F' model deluxe mandolin, truly superb, hand made with extensive inlay and workmanship of a remarkably high quality. Schaller tuners

Chris Leslie of **Fairport Convention** with his Ozark mandolin (2255)

"The Ozark mandolin feels great to play. It's my on-the-road instrument with Fairport Convention."

Chris Leslie
