## Red Label - Cello

- R33** Cello set, Red label

## Blue Label - Cello

- B50** Cello set, Blue label
- B501** A 1st, chrome wound
- B502** D 2nd, chrome wound
- B503** G 3rd, chrome wound
- B504** C 4th, chrome wound

## Red Label - Double Bass

Flexible chrome wound strings, ideal for orchestral or soloist use.

- R34** Double Bass set, Red label
- R341** G 1st, chrome wound
- R342** D 2nd, chrome wound
- R343** A 3rd, chrome wound
- R344** E 4th, chrome wound
- R345** B 5th, chrome wound

All Dogal Strings have two or more separate windings over the steel core, which give them their unique qualities of tone and durability.

These multiple windings and the natural flexibility of the strings enable the player to control intonation to a degree not possible with strings having simple windings.

## Flexibass

A range of super flexible strings specifically designed to draw the fullest sound from each size instrument. Priced with the young student in mind.

- B121C** Double Bass set, 3/4
