

PIRASTRO TONICA, OBLIGATO & EVAH PIRAZZI STRINGS

TONICA STRINGS

The perfect string for today's players is one that combines the unequalled sound of finest gut with the durability and stability of modern materials. With their unique experience of 200 years crafting finest quality gut strings and modern methods of synthetic production, Pirastro have achieved such a combination with the 'Tonica' range of strings.

The fullness of the instrument's tone is evoked with rich overtones and immediate and brilliant response. The sound is perfectly clear and balanced both at high and low volumes of playing.
